

I-Reach 2 INC.

STRATEGIC PLAN 2012-2014

Mission Statement: Our mission is to provide high quality, innovative, individualized, therapeutic services to adults with developmental disabilities or brain injuries.

Vision: Providing premier services that promote quality of life, independence, and ability.

I. INTRODUCTION AND HISTORICAL INFORMATION

I-REACH Inc. was founded in 1999 and the non-profit I-REACH 2 Inc. Residential/Respite Program was started in 2003. By January 2006, I-REACH 2 Inc. contracted to merge with the original for profit I-REACH Inc. which began in April of 1999. This merger included all of the original I-REACH Inc. pre-vocational, community employment, day habilitation services, including a Career site deli called Felgoodies and Reach 4A Star therapeutic riding center.

Reach 4 A Star Riding Academy applied for and received its own 501c3 in 2009. Our participants continue to receive services from the arena.

2011 was a year of transitions. I-Reach 2 Inc. hired an executive director in May of 2011 after the position had been vacant since September of 2010. The agency had to do what business in both the private and public sectors have had to do in recent years. Simply put, the organization had to tighten their belt and adjust spending to accommodate a decline in revenue from historical highs of 2007-2009.

As we look forward, we look back at our accomplishments for 2011. Staff and participants attended several Casper Ghosts games, participated in a variety of Halloween festivities, Thanksgiving Feast and participated in Special Olympics. I-Reach was selected as a partner agency for the Casper Rotary Club Ducky Derby. We look forward to a lasting partnership with this event. We were able to purchase a new program vehicle through the generosity of the Thorsen Foundation. Another first was evidenced when the agency brought in Olin Oedekoven with Peregrine Leadership Institute to assist us in refining our Mission and Vision. We also drafted a set of core values. The Mission, Vision and Values will guide and drive all of our decision and actions.

Our Mission:

“Our mission is to provide high quality, innovative, individualized, therapeutic services to adults with developmental disabilities and brain injuries.”

Our Vision:

“Providing premier services that promote quality of life, independence, and ability.”

At I-Reach it is about PRIDE!

90% of participants served by I-REACH 2 Inc. are funded through the State Division of Developmental Disabilities via what is known as the Medicaid Waiver program. The remaining 10% are on the waiting list for waiver services and are considered private pay. Rates are adjusted significantly to allow the participants to receive services and support as waiver clients do.

The individual's team, including the guardian, individual served, Individual Case Manager, Direct Care Employees and other professionals or stakeholders decide which services the person is most in need of and also evaluates the progress and needs of the person served at least (2) times per year.

I-REACH 2 is one of several internationally certified and accredited CARF recognized (Commission for Accreditation of Rehabilitation Facilities) service providers in the State of Wyoming and across the world. Many of our services have been accredited since June of 2000 when I-REACH Inc. first received a three-year accreditation. We are looking forward to our re-accreditation survey in June of 2012.
