EMPLOYMENT OF WORKERS WITH DISABILITIES

Compliance with Labor Laws

I-REACH 2 Inc. complies with the Fair Labor Standard Amendments of 1986 which includes provisions for the employment of individuals with disabilities. Because changes in statutes and applicable laws are important to the overall operation of I-REACH 2 Inc., all updates or changes shall be integrated into the organizational structure in a timely and appropriate manner.

INDIVIDUALIZED EMPLOYMENT SERVICES

Information obtained from participants in employment discovery and customization, pre-vocational or supported employment programs over a period of the first (90) Days shall include:

- Work history
- Previous training
- Economic Status and the impact of loss of benefits
- Medical and Diagnostic Information
- Functional Abilities
- W-4/Payroll Information/I-9 Information
- Current resume and assistance with job searches/applications
- Employment Pathway Planning Packet

This information shall be documented, used as a working document and placed in the individual's mail file at I-REACH 2 Inc. The Community Living & Employment Coordinator is responsible for annual updates related to employment service.

EMPLOYMENT PATHWAY PLANNING PACKET

Each participant shall have an Employment Pathway Planning Packet, which identifies and addresses barriers to the individual's employment opportunities. Barriers may include but are not limited to, transportation, physical accessibility, attitudes of family, community members, communication, etc. This plan shall be reviewed by the participant's team and updated as necessary to accommodate changes in status or removal of barriers.

All decisions related to the individual participant's satisfaction, expectation and knowledge of local employment information would be used to help initiate and put a comprehensive employment plan into effect.

INDIVIDUAL PLAN MODIFICATIONS

IR2 uses documented percentages, satisfaction surveys and stakeholder surveys as part of the outcome measurement system, including information from the person served, staff, employers and guardians to ensure that increased employment/training/job placement services are offered to each Individual.

Employment plans are designed or modified when changes are needed to increase the effectiveness of the training an individual receives from IR2 or to evaluate the job choice or placement of the Individual.

Modifications, additions or discontinuation of training objectives or problems with a specific placement area shall only be made in conjunction with the individual, his or her guardian and other members of the person's team.

Employment Service Personnel (job-coaches) are responsible for communicating problems or concerns to the Community Living & Employment Coordinator. Community Living & Employment Coordinator will determine if the problem or concern can be resolved without making any changes or modifications to the Individual's plan. If changes in the plan itself are required, the Community Living & Employment Coordinator is responsible for communicating those concerns or problems of suggested changes to the person served, the individual's Case Manager and his/her guardian where applicable.

EMPLOYMENT SERVICES COORDINATION

POLICY:

Employment Services coordination shall be conducted by the Employment Specialists under the supervision of the Community Living & Employment Coordinator.

All aspects of Employment Services for individuals shall be goal oriented and systematic via the utilization of the team approach to services and utilization of the Individual Assessment, and Customer Profile for Employment Services, Job Placement and Job Coaching. Through these resources, collection of information regarding the individual's needs, preferences and abilities, and potential job interests are combined with workplace and Individual barriers, needs for accessibility or assistive technology, potential work site environment information, and evaluation.

PROCEDURE:

- a) All individuals served, or their families where appropriate, shall be involved in the development of employment objectives.
- b) The individual's team will determine if the Individual will need to open a case through the Division of Vocational Rehabilitation or the employment services will be provided through the Home & Community Based Medicaid Waiver.
- c) All participants receive participant handbook and a list of opportunities at Felgoodies and potential job openings known in the community.
- d) The Community Living & Employment Coordinator coordinates services for the individual as needed, maintaining contact and communication with all available resources.
- e) Appropriate and timely work opportunity referrals are made through the Community Living & Employment Coordinator, who will assess the cost and effectiveness of such services and utilize the referral system to help speed the process.

EMPLOYMENT PERSONNEL TRAINING

POLICY:

ALL Employment Service Personnel receive a variety of nationally recognized employment training and are expected to complete a post-review on each of the sections to demonstrate their knowledge of the model's philosophy and practices. A copy of the completion certificate for the will be maintained in the employee's file.

PROCEDURE:

- Training in community services and resource availability
- Financial issues pertinent to the referral process
- Identification of individual needs, preferences, special skills or limitations of the person they are serving

CONTRACT EMPLOYMENT SERVICES

I-REACH 2 Inc. may seek contract benefits as a Section 8(a) set aside business for contract services to the United States government, as well as may submit contract proposals to a variety of outside entities in need of piece work and skilled labor in areas where IR2 participants can provide the work service desired. This can include wood-working or piecework from a variety of sources to include area manufacturers. The process for obtaining contracts is as follows:

1. The Community Living & Employment Coordinator and the Executive Director make initial contact to assess the feasibility and profitability of any given contract service.
2. If the payment schedule is in line with the availability and productivity level of participants in the IR2 program and with current U.S. Department Wage Standards, a bid proposal shall be submitted per the rules or regulation of the soliciting agency.
3. No bid shall be submitted without the direct approval of the Executive Director.

ESTABLISHMENT OF BIDS OR PROPOSALS

I-REACH 2 Inc. seeks business on a fair and competitive basis. We do not engage in unfair competition with other programs or commercial organizations in selling our services or products. To achieve financial stability, IR2 must know its costs and bid competitively in the job market.

The Service Coordinator working with the Executive Director shall develop bids or proposals that include:

- **All direct costs**
- **All indirect costs applicable to each job**
- **Profit**
- **Consideration of Fair Market Value**

1. All bids are submitted in writing
2. No bid shall be submitted without the review and approval of the Executive Director.
3. The price of products and services should be analyzed annually by the Executive Director to ensure that the current bid price reflects changing market values.

EMPLOYMENT PLANNING SERVICES

I-REACH 2 INC. uses the following methods to develop successful employment placement:

- Situational Assessments
- Career Exploration Site, Felgoodies
- Job Shadowing
- Volunteer Sites
- Work Experience placements through the Division of Vocation Rehabilitation

The method used is selected based on the individual needs and preferences of the participant and the personnel needs of employers or the IR2 Organization.

Each of the methods allows a participant to gain experience and interact with other employees and ask questions about employment opportunities.

Individuals may choose one or all the experiences over the course of his/her first six months in the program.

USING THE RESULTS

Quality results desired by any or all the above stakeholders of these services include:

- Work interests being explored and identified
- Recommendations for employment options are appropriate

- Employment Planning (feedback or reports from experiences lead to job goals)
- Identification of transferable work skills
- Determination of possible benefits
- Services are timely in their delivery and cost effective

It is our goal to ensure that everyone served can choose their employment outcomes and understand recommendations that are made on their behalf by the Community Living & Employment Coordinator.
